(available online via the
library catalogue Babylone)

280

PhD theses (on line via Babylone)
& Research documents

Catalogue Babylone

Library online catalogue

Search the library catalogue **BABYLONE** for print and digital resources

<https://edoc.escpeurope.eu/flora/> (internet).

The catalogue **BABYLONE** is also accessible via Myschool library pages myschool.escpeurope.eu (intranet) Login to Babylone with the intranet username and password.

BABYLONE contains bibliographic references and summaries of:

Books

Periodical articles

Cd-Roms

Ebooks

Online student theses and dissertations in full text

Magazines & Trade reviews

Journals

Research papers

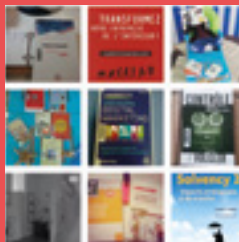

Why use Babylone

- To find items by title, author or keywords
 - To find the call number and locate a book on the shelf
 - To manage your library account
 - view items currently checked out to you
 - extend the term of the loan
- (Check the box next to the title and click Renew)

New books

Follow the library on Instagram to learn about new books.

 [Instagram/escpeurope/library](https://www.instagram.com/escpeurope/library)

Finding resources in the library

Use the catalogue **Babylone** to locate physical resources

• BOOKS, INDUSTRY ANALYSES OR CD-ROMS:

1 > View detailed information on **Babylone**

2 > Note its classification reference (call number) BIBLIOTHEQUE or ARCHIVES

Classification: 11 main subject areas (numbered I to XI) + sub-topics (Arabic numerals) followed by the first three letters of the author's last name.

For example:

- **VIII 31 GAF** (book)
- **3A 09 - 25** or **MAS 10 - 113** (student's dissertation)

Code-barres	Cote	Site	Catégorie de prêt	Localisation	Etat	Type comm.	Date retour prévue
70227	V 11 RYA	Bibliothèque Paris Papier	BIBLIOTHEQUE	Disponible	Prêt		

Print press /Periodical articles (260 titles)

Location

- Periodicals section of the library

• Displayed for periods varying between 6 months and 2 years
(Please refer to the information posted on the shelves)

Finding

- Search the library's catalogue **Babylone**

Periodicals in storage

- Back issues are held in storage
- Place an online request for retrieval from storage or ask a librarian

Online resources

- EBOOKS
via the catalogue [BABYLONE](#)
- ONLINE JOURNALS, PERIODICALS AND ARTICLES
Use Publication Finder (Ebsco) search tool. Accessible on the library pages (intranet [Myschool](#)) – Click on Press & Journals
- **Publication Finder** helps you find electronic journals and magazines in the library databases.
Search for journal/magazines titles only
- LEARN MORE ON DATABASES P.8

Borrowing privileges

Borrowing privileges

- A valid **student ID card** is required for all loans

Readers	Number of items *	Loan period	Renewal
Students	4 items	2 weeks	3
Executive education	6 items	4 weeks	3
Faculty, PHD students, Staff	10 items	4 weeks	3

* Except non-circulating materials:

Materials marked with a color sticker (dictionaries, directories...) - all periodicals/magazines

Requesting materials from storage

Requests submitted in **the morning** can be retrieved **the following day**, Monday through Friday.
For example: back issues of periodicals

Checkout, renew & return

- At the **Information and Circulation desk**
- Login to your library account or ask a librarian **to renew items**
- Return material by the due date
PLEASE NOTE: Late returns will lead to the suspension of the user's borrowing privileges for a period proportional to the number of overdue days
- After 3 reminders, **the access to your intranet will no more be possible** until all then books borrowed have been returned
- Replace or pay replacement costs for damaged or lost items

Book return box

Located at the library entrance; it allows users to **return books** when the library is closed.

Online resources
